

TERMS AND CONDITIONS FOR USING LINCOLNS INN FIELDS AS A UNIT BASE ON CAMDEN SIDE

NB All the roads surrounding Lincoln’s Inn Fields Park are known as LINCOLN’S INN FIELDS

Google Maps and other online mapping services may call it NEWMANS ROW, but Camden do not.

Newman’s Row runs from the north side of Lincolns Inn Fields to Whetstone Park and includes the foot path to High Holborn

- **NO VEHICLE MOVEMENT BETWEEN 23.00 AND 07.00**
- Vehicles must park **within the parking bays and not extend beyond the white lines**
- **THE CARRIAGEWAY MUST NOT BE RESTRICTED AT ANY TIME**
- Access to the gate into Lincolns Inn Fields gardens must be kept clear at all times
- No vehicles should be parked alongside vehicles with slide-outs –generators, minibuses, Unit cars, etc unless they can do so without extending beyond the parking bay lines
- Slide outs must not restrict the pavement – 1.8 meters to be kept clear for pedestrian use
- Vehicles parked at the north of the area must not have slide-outs near the bins
- Only silent running Generators to be used
- Generators and catering vehicles must be parked at southern end of bay C15
- The pedestrianised corner areas to be kept clear at all times – cables and water hoses to go in the gutter and not across the paved area
- Satellite dishes must not to be placed on pedestrianised corner - allowance when parking up must be made to fit them onto the road

- **NO PARKING ON DOUBLE YELLOW LINES AT ANY TIME**

- No Tower lights - if working lights are needed - use soft lights standing no higher than parked trucks
- Rubbish collection to be kept off the pedestrianised corner area at all times
- If fencing is used, it must NOT be placed on NOR back the pavement
- Bowsers must NOT be emptied on site.
- Generators must not be refueled on site
- Private cars not to be parked in suspended bays - use nearby car parks
